NUANS Subscriber,

We would like to take this opportunity to thank you for your interest in NUANS®. Attached you will find an introduction kit which includes the following:

3. Current Pricing Schedule
4. NUANS Application Form

6. Instruction Check List

Please note that anyone wishing to submit Alberta NUANS searches to the Alberta Corporate Registries are required by Alberta Corporate Registries to complete the NUANS Online Training Course, and to also attend a one-day Alberta Government Training Seminar on Alberta Legislation and Regulations in Edmonton. The NUANS Online Training Course is provided at no charge and is available through your NUANS account at www.NUANS.com.

Once your certificate of completion is received from NUANS, the Alberta Government requires that you contact the Alberta Training Coordinator, Carrie Anderson, at 780 441-2029, to schedule your attendance for the next Alberta Government Training Seminar. **Please fax your NUANS Online Course Certificate to Carrie at: 780 422-8959. Once Hewlett-Packard receives confirmation from the Alberta Government that the Alberta Training Seminar has successfully been completed, your NUANS account will be set up to run NUANS reports.**

Please refer to the Instruction Checklist for Subscribing if you wish to become a subscriber of NUANS services. Once we have received your signed subscribing documents, we will process your account. You will then be contacted by one of our NUANS Operations Team agents in order to review the necessary information you require in order to start submitting and receiving NUANS Reports. Your first invoice will contain the Client Subscription Fee as per the enclosed pricing schedule.

On request, you may have a Training-only account for up to 30 days. This account will give you access to the NUANS Training Course, but you will not be able to access NUANS Reports. No charges will be applied to your account during this period. At the end of this training period, the Client Subscription Fee will be invoiced and regular invoicing charges will commence.

Should you have any questions, please do not hesitate to contact me either toll-free at 1 888 816-8267, or my direct line at 613 591-4307. Thank you for your interest in NUANS.

Yours truly,
