NUANS® Services Price List – NUANS Subscribers

NUANS Products and Services	Pricing
<p>NUANS Reports:</p> <p style="padding-left: 40px;">A) NUANS Report</p> <p style="padding-left: 40px;">B) Expedited NUANS Reports</p> <p>Minimum Monthly Charge</p> <p>This is a “transaction-based service”, providing reports based upon name search queries. The price quoted is per transaction. In order to access this service, the NUANS client must first establish a contractual relationship with Hewlett-Packard (Canada) Co. Usage is captured, reported and invoiced monthly.</p> <p>The greater of either the monthly search usage or the monthly minimum administrative charge will apply to each account per month.</p> <p>NOTE: The minimum monthly charge applies to this service.</p>	<p>\$13.82</p> <p>\$20.48</p> <p>\$100.00</p>
<p>NUANS Preliminary-Search (Pre-Search) System</p> <p>This on-line database subscription service is optional. It is intended for the pre-screening of names contained within the Canadian NUANS search database before a NUANS search report is submitted. The NUANS Pre-Search System contains the Canadian NUANS search database, including all incorporated companies and Canadian trademarks on file, (Quebec names are currently not available). It is not intended to replace the NUANS search report or to find names that are phonetically, visually or physically similar.</p> <p>NOTE: The minimum monthly charge applies to this service.</p>	<p>\$0.21 ea.</p>

NUANS Products and Services	Pricing
<p>Client Subscription Fee</p> <p>This one-time fee covers the initial set-up of your NUANS account, and is invoiced upon commencement of your NUANS service contract.</p>	<p>\$125.00</p>
<p>Account Re-Activation Fee</p> <p>This fee covers the cost of re-activating service to a suspended NUANS account.</p>	<p>\$75.00</p>
<p>Online User Training Course</p> <p>Hewlett-Packard offers a valuable online training course for users of the NUANS system. This is a self-paced interactive course, provided at no extra charge to NUANS subscribers. Upon finishing the course, a certificate can be downloaded to confirm completion.</p>	<p>No charge</p>
<p>Onsite Training</p> <p>This training method consists of having an instructor travel to your location for an onsite training session. The price is either based on a fixed rate of \$2,000.00 plus all of the instructor's travel costs, or alternatively a per student rate of \$495.00 with a minimum requirement of 6 students attending the training session. The instructor's travel cost is included in this price.</p>	<p>The fixed rate for this service is \$2,000.00, and a per-student rate consists of \$495.00, with a minimum requirement of 6 students registered to onsite training session.</p>
<p>Virtual Training</p> <p>Virtual Training consists of remotely accessing the NUANS Training Course through the Internet and conferencing by telephone to a communication bridge, enabling the student to simultaneously listen to the presentation. Presentation slides are made available through the Internet, while the instructor and the student actively communicate by telephone. Students can ask questions and make comments while following the slide presentation on the Internet.</p>	<p>The fixed rate for this service is \$1,400.00, and a per-student rate consists of \$235.00, with a minimum requirement of 6 students registered to the virtual training session.</p>

<p>Surveillance Services</p> <p>Application Surveillance Report</p> <p>Weekly Surveillance Report Charge \$17.41</p> <p>Per Hit Citation Charge \$0.14</p> <p>NOTE: The minimum monthly charge applies to this service.</p>	
<p>Retrieval of Old NUANS Reports</p> <p>Members can retrieve a copy of their reports from the "NUANS Recoverable Reports" menu at their leisure. Reports are available for a period of up to one hundred and eighty (180) days. Deleted NUANS reports older than one hundred and eighty (180) days and up to seven (7) years can be recovered from the NUANS Recoverable Archived Reports utility Industry Canada's policy on retention of electronic documents is seven (7) years. It is therefore strongly recommend that you save a copy of your NUANS reports on CD, DVD, hard drive, or network drive.</p> <p>NOTE: The minimum monthly charge applies to this service.</p>	<p>\$13.82 per report</p>
