A. FRAME MAINTENANCE

READ: Hello, my name is (interviewer) and I am calling from Statistics Canada. Your business has been selected to participate in a national survey on the financing of small and medium businesses in Canada. The survey is designed to find out what kinds of financing small and medium enterprises are using, and to collect information on recent attempts to obtain new financing.

May I speak with the person who would best be able to provide this information on financing of the business? Are you the person to provide this information?

Your answers to this voluntary survey will be treated in strict confidence, used for statistical purposes and published in aggregate form only. The survey is conducted under the authority of the Statistics Act.

Before we begin I would like to inform you that a supervisor may listen to the call for the purpose of quality control.

Sections of the Frame that may need to be updated:
Frame Maintenance Section 02-Legal Name Modification
Frame Maintenance Section 04- Operating (Business) Name Modification
Frame Maintenance Section - contact name, contact and civic address, phone number for contact and fax number.
